Why partner with AIT?

- **World-class** supply chain solutions backed by people, processes and technology that help businesses grow with expanded access to new markets around the world
- A **vast operational network** serving the world's largest economies across Asia, Europe, India, the Middle East, and North America
- **More than 45 years** of stability built on a strategic growth plan that positions our **trusted advisors** in regions with increasing customer demand for high-quality logistics services
- A non-asset-based business model, enabling **flexible, customized**, end-to-end solutions with personalized customer service from subject matter experts across a broad range of commodities and trade lanes
- Consolidated **buying power** with core carriers ensures capacity procurement across all modes for shippers in the aerospace, energy, home delivery, life sciences, marine and technology industries and beyond
- Robust technology featuring a **unified** global transportation management system providing exceptional shipment transparency

Our logistics services are **never one-size-fits-all**

Take your business to the next level with customized end-to-end supply chain solutions that are scalable and sustainable across any mode.

AIT's consultative logistics professionals will work with you to design an efficient plan and procure the competitively-priced capacity that fits your organization's unique needs.

Solutions aligned to your industry

No matter your size, there's always room to grow. AIT's **subject matter experts** harness **specialized networks around the world** to help companies with unique shipping needs to **increase their geographic reach, customer loyalty, profits and more.**

AIT moves your critical shipments with flexibility, speed and security

Partner with us to create your custom shipping solutions and ensure your freight reaches the right place, at the right time, every time.
