

# AIT Worldwide Logistics Company Profile

**AIT Worldwide Logistics** is a trusted global freight forwarder delivering flexible, customized, end-to-end supply chain solutions that meet our customers' shipping requirements across a broad range of industries and geographic regions.

Backed by a robust operational network, our people, processes and technology help businesses grow by expanding access to markets around the world.

## Global network

World-class operational performance and customer service support from subject matter experts across Asia, Europe, India, the Middle East and North America.

## Reliable procurement

AIT's consolidated buying power with core carriers and specialized networks ensures reliable capacity procurement across all modes for shippers in the aerospace, energy, home delivery, life sciences, marine and technology sectors and beyond.

## Customized services

Take your business to the next level with scalable, sustainable transportation across sea, air, road and rail.

AIT's consultative logistics professionals will collaborate with you to design an efficient shipping plan and secure the competitively priced capacity that fits your organization's unique needs.
