

Avoid surging air freight rates, capacity challenges, with ocean express service from Asia to North America

Move your cargo from Asia to any location in North America in less than two weeks when you choose AIT Worldwide Logistics' cost-effective ocean express shipping option. Part of our Essential Domestic Business strategy, this all-new service features weekly, direct departures from China to Los Angeles.*

Mitigate production delays, avoid airport and origin market congestion and get your vital shipments where they need to go – on time, every time.

Weekly Direct Departures

- 10 days from Shanghai to Los Angeles
- 12 days from Ningbo to Los Angeles
- Pre-arrival U.S. Customs clearance
- Cargo available at port within 24 hours
- Port-to-door trucking to any North American destination within 72 hours
- Rail to 30+ hubs, including New York, Miami

Experience the AIT Difference

- ✓ Cost-effective service reduces landed expenditures
- ✓ Improved visibility and control over inbound inventory
